# Need a mask?

## We got you covered!

# NeoMask.org

## 200% of proceeds donated to WJGA for all sales in August!

Lauryn Nguyen, WJGA participant, and her grandmother Neo started the NeoMask.org project to help fill two needs in our community:

1. Provide face masks to the public to help reduce the spread of the Coronavirus.
2. Provide financial assistance to local non-profits helping our most vulnerable population during the Covid-19 pandemic.

To-date, NeoMask.org has donated a combined $28,000 to local organizations. For the month of August, NeoMask.org will donate all proceeds to WJGA. All funds raised through NeoMask.org will also be matched! Order your mask today and make a difference for WJGA while also helping to keep our community safe.

**Buy a mask and help WJGA in our mission to support junior golf.**
