

The NLGA is a non-profit organization founded in November 1994.

Our purpose is: **"TO ORGANIZE AND PROMOTE REGULAR GOLF PLAY FOR WOMEN OF ALL SKILL LEVELS AND TO FOSTER THE DEVELOPMENT OF SOCIAL RELATIONSHIPS"**

Whether you are a beginner, casual player, or golfaholic, the NLGA is for you. We provide many opportunities to learn and improve your game, to interact and golf with other members, and to compete in our annual championship in August. The NLGA offers a great variety of activities: leagues, outings, clinics, socials (including a spring kickoff and a fall social), annual destination unknown on a bus with fellow members, and weekday play at multiple locations throughout the Puget Sound area. There's an activity for just your style or level of play. We hope to see you at one of our events soon!
