

211 Golf Association

211 League History:

The 211 League was formed in 1956 by Andy Miller, Hap Hagan, Chet Smith & Ray Merritt. The League was an offshoot of the Seattle Moose Lodge #211 Bowling League. During the early 1960's a vote was taken by the League's members to become independent from the Seattle Moose Lodge #211 thus creating the the current 211 Golf Association. For 66 years our League has thrived from new members joining as a result of our current member golfers. We have always been open to golfers of all skill levels. Having fun and creating new friendships has been and still is the 211 Association byline.

League Details:

We are a mixed travel league and play on Sundays from April through September at different courses each week.

For 2022, our membership dues are \$80 and include your GHIN membership. Each week green fees vary based on the course. Our weekly competition is for low net (first through fourth place). We also have optional weekly side games for low putts and closest to the pins.

We have a two-round championship tournament at the end of our season. Our overall low gross winner will be awarded the Club Champion.
